ARVIN CHANDER
Vice President and General Manager of BREW
Qualcomm Internet Services
Qualcomm Incorporated

Arvin Chander is vice president and general manager of BREW for Qualcomm Internet Services (QIS). QIS helps accelerate consumer adoption and consumption of mobile content across all networks and devices by delivering a more engaging mobile experience that is contextual and relevant to consumers' personal interests.

In his current role, Chander is responsible for the management of BREW, a mobile retailing solution for customers seeking to bring high-value wireless services to market and enhance the mobile experience for consumers.

Previously within QIS, Chander served as vice president of carrier relations, leading the team responsible for managing relationships with BREW operators around the world. Prior to this role, he served as senior director focusing on the successful implementation of BREW in Asia. Chander's leadership resulted in the deployment of BREW by more than 60 operators in 20 countries.

Before joining QIS, Chander was responsible for business development in Asia and Brazil with QCPI. He joined Qualcomm in 1998 and has held various positions in finance for the Qualcomm Consumer Products Group.

Chander holds a bachelors degree from University of California, Los Angeles (UCLA) as well as a Masters of Business Administration from Marshall School of Business (USC).
